Dear Grant Decision Committee:

It is my honor to recommend Operation Appreciation to be a grant recipient. I have had the pleasure of working with Operation Appreciation for several years, and find them to be an organization that truly looks out for the best way to help our military service members in the Georgia National Guard, in the Reserves, Veterans, and family members.

With dedication and tenacity, the leadership of Operation Appreciation has worked hard to provide much needed assistance for those who are serving and have served our country so well.

Sincerely,  
Pam Younker  
Community Development Officer
